Nixon Wins Mock Election

Lakeshore High Vote: Area
Went For LBJ In '64

In a mock election Friday, Lakeshore high school students gave Richard Nixon 273 votes, Hubert Humphrey 131 and George Wallace 99.

If students reflect their elders' views, the Lakeshore teenagers show third party candidate Wallace is hurting Democrat Humphrey far more than Republican Nixon.

And their two to one margin for Nixon over Humphrey served notice that the district may witness a sharp reversal from

the 1964 presidential election when Lakeshore voters gave Democrat Lyndon Johnson an estimated majority of roughly four to three over Republican Barry Goldwater.

Lakeshore students also voted down the line better than two to one for Republican candidates for Congress, the state legislature and county offices. The 1964 GOP candidates in these races took the Lakeshore precincts too, but mostly by much lesser margins, roughly an estimated 4-3 edge overall.

There can only be an estimate of previous general election returns in the Lakeshore district because the returns have no application to the school district as such. Rather they are filed from the six political subdivisions which, all or in part, lie within the school district.

Lakeshore district covers most or parts of these townships: Baroda, Lake, Lincoln, Oronoko, Royalton and St. Joseph. It is white suburban, with some farmers. It has experienced a rapid population increase since 1964, so its

Student Balloting
Close For Second

HARTFORD — James Kappler, principal of the Hartford junior and senior high school, announced today that students in grades seven through 12 Friday voted to elect Richard Nixon President.

Kappler said Nixon received 260 votes while Hubert Humphrey received 139 votes and George Wallace, 131. Kappler added Pat Paulsen received 28 write-in votes.

The principal said the ballots were prepared by the twelfth grade American government class, which also conducted the election. Kappler noted he was impressed with the enthusiasm of the students participating in the election.

Bank Clerk 'Tried' To Be Caught

Pleads Guilty In
Theft Of \$492,000

PENTICTON, B.C. (AP) — A bank clerk whose lawyer said she "stole to be caught and couldn't understand why she wasn't" pleaded guilty Friday to grand larceny in the disappearance of \$492,000.

Kathleen Ann Spiller, 26, also pleaded guilty to falsifying books of the Penticton branch of the Royal Bank of Canada, from which the money disappeared between April 1964 and last September.

Her lawyer, Fred Herbert, told the court his client told him she "displayed her wealth by driving to work in a \$12,500 Cadillac, which she parked alongside other bank employees' cars."

Herbert said Miss Spiller pleaded guilty because she could "not go on living in the hell" in which she had been living.

Herbert said his client spent \$31,000 on cars, \$60,000 on a home, which she refurbished three times at an estimated cost of \$130,000, and wore expensive clothes and diamond rings worth about \$20,000.

Her salary was about \$3,800 a year. She began working for the bank in June 1962.

Nixon Winner, Wallace Next

COLOMA—Students in the Washington elementary building of the Coloma Community school system voted Friday for the office of President of the United States. Mrs. Maxine Brule said all students in grades one through five voted with the results as follows: Nixon, 174 votes; Wallace, 134 votes; and Humphrey, 59.

LBJ Peace Move Miscalculation?

South Vietnam Won't Sit
In At Peace Parley

SAIGON (AP) — Diplomats said today Washington may have miscalculated greatly in reading the moods of Hanoi and Saigon when President Johnson presented his bombing halt-peace talks package.

"President Johnson should not have forgotten that face, and whether you keep it or lose it, is a major consideration in this part of the world," said one diplomat in Saigon.

One day after Johnson's announcement, South Vietnam's President Nguyen Van Thieu, said his country will not participate Wednesday in Paris talks because the Saigon regime refuses to give any sort of legitimacy to the Viet Cong's National Liberation Front, which leads the insurgency in the South.

The NLF is to be included in the Paris talks, but in a roll neither Saigon nor Washington has made clear.

For its part, Hanoi said its agreement to four-way peace negotiations did not mean that North Vietnam recognizes "the puppet South Vietnamese government." This is Hanoi's face problem.

Thieu has insisted that fruitful peace talks could only come about in direct negotiations between Hanoi and Saigon.

U.S. AIMS
The United States evidently intends to make a major effort in the new phase of the Paris peace talks to get an agreement with Hanoi on withdrawal of all

HERE'S EXPLANATION

Still Confused By Time Issue Voting?

Because of two-edged wording employed to explain and to state Proposal No. 2 on next Tuesday's ballot, some confusion apparently still exists over what a Yes or No vote means on the daylight savings time issue.

If the voter will ignore the legal explanation offered on the ballot and concentrate just on the stated question—"Shall the State of Michigan observe Daylight Savings Time?"—he can determine easily how he wants to vote.

A Yes vote would turn the clock ahead an hour every summer to daylight savings (fast) time.

A No vote would keep Michigan on standard (slow) time the year around.

Husbands Behind In Payments

Supervisors
Press For
Speedy Action

An estimated 75 fathers in Berrien county are behind in their child support payments to mothers who are receiving ADC checks.

John Schoenhals, Berrien county friend of the court, gave this estimate, but said he has not determined yet how far in arrears they are.

Meanwhile, the taxpayers have been footing the bill through ADC payments for the court-ordered obligations of these fathers.

SCHOENHALS' REPORT

Schoenhals said in recent days his office has compared a list of Aid to Dependent Children recipients provided by Berrien County Social Services Director Wesley P. Bowerman with payment files in Schoenhals' office to ferret out men behind in their payments.

Berrien County Supervisors Finance Chairman Ivan Price said his committee is pressing Schoenhals' office for a full report on ADC case arrears and "intends to get this thing cleaned up before the new board takes over (January 1)."

The ruckus over fathers delinquent in payments developed after ADC mothers picketed in the county courthouse in September and after this newspaper in recent weeks revealed two cases of alleged arrearage in the thousands of dollars. The board of supervisors also ordered an investigation into the matter.

CASES PILE UP

Nonpayment in ADC cases piled up, Schoenhals explained earlier, because ADC mothers get government checks whether the father pays or not. In normal child support cases, the mother usually complains to the Friend of the Court almost immediately if a father fails to pay, because she doesn't get a check.

He said it had been the practice of his office to investigate payment delinquencies only if the mother complained.

The next move now, he said, will be locating the men and scheduling them to appear on a crowded Berrien county circuit court calendar.

This could take a year, he said.

TYPICAL COURT DAY

On a recent Monday — the normal court day for child support arrearages — 18 fathers were scheduled to appear before Judges Chester J. Byrns and Karl F. Zick. Eight cases actually were heard.

The ADC mothers are among some 2,500 or more child support and paternity cases overseen by Schoenhals' office. Fathers make weekly, or bi-weekly or monthly payments to deputy clerks in Schoenhals' office.

Payments are recorded on master files by deputy clerks, but usually the files are behind, sometimes a month or more. Schoenhals said. It's a case of too much work for too few clerks, he said. Price disputed the help shortage claim.

But recently Schoenhals' two full-time clerks and one part-time clerk have been screening files according to an ADC list from the County Social Services department.

They did so before, but infrequently because normal divorce and paternity case check-ups took most of their time, Schoenhals said.

Fathers behind in child support payments will get letters ordering them to pay the

Urges Voters Not To Be 'Brainwashed'

Romney Eyes Bomb Halt

From Associated Press

Michigan Gov. George Romney urged voters not to be "brainwashed" by the bombing halt in Vietnam and suggested it might merely be a Democratic campaign tactic as the presidential campaign went into its final days.

Democratic vice presidential candidate Edmund Muskie, who visited Grand Rapids Friday, declared persons who criticize the timing of the bombing halt in North Vietnam apparently prefer to "let some more American boys die." He called

the politics charges "ridiculous." With the campaigning getting down to the brass knuckle stage at times as Tuesday's election day neared, Chicago played host Friday night to two political spectacles featuring Democratic candidate Hubert Humphrey and third party candidate George Wallace.

HUMPHREY PARADE

An estimated 200,000 persons watched a rip-roaring old fashioned political parade staged by Chicago's Mayor Richard Daley and his loyal legions for Humphrey before the candidate addressed a rally in the Chicago Stadium.

Across town in the International Amphitheater, Wallace received a 25-minute ovation from 10,000 followers, the biggest reception of his campaign.

Meanwhile, Republican Candidate Richard Nixon accused President Johnson of mismanaging the space program. He said in remarks prepared for an Austin, Tex., appearance that if he is elected the program will be not a luxury but part of an effort to build superiority from which to negotiate a lasting peace.

NIXON CAMPAIGN

The Republican hit hard Friday at what he called Humphrey's "piteous outcry over my references to serious shortcomings in our national defense." Nixon said his assessment that the United States is losing leads over the Soviet Union was an understatement, not an overstatement.

"It describes," he said, "vastly significant change in America's defense policy under the Humphrey crowd—a deliberate switch from trying to keep America first to keeping America no better than even—a defense policy for America of second gear and stand pat while

the Soviets go full tilt ahead for superiority. Humphrey spoke of Democratic unity—and the return of

Quiet Night Interrupted By Shots

New Buffalo Man
Holes Up 2½ Hours

NEW BUFFALO — A 2½ hour siege by police against a New Buffalo man barricaded in his home ended this morning, without a shot fired or a tear gas bomb hurled.

Events, however, began with the sound of gun shots which eventually drew about five New Buffalo state troopers and three New Buffalo city police to the home of Aaron Dabbs, 50, of Smith street, New Buffalo.

State police said Dabbs barricaded himself in his home from about 4:25 to 7 a.m. today, when his daughter, Miss Margaret Dabbs, 20, talked him into coming out. Miss Dabbs resides elsewhere with her mother, police said.

The incident occurred across the street from the home of New Buffalo Police Chief Dale Siebenmark, who said he heard four shots about 4:15 a.m. Siebenmark called state police to join the investigation, but the source of the shots could not be determined. State police left, but were called about five minutes later by a woman who heard more shots and indicated she knew who was firing them.

Police said for the next 2½ hours, they tried to talk Dabbs into surrendering, without any shots fired. Police said they planned to use tear gas, but didn't when the daughter was successful. Police said a 12 gauge shotgun was taken from Dabbs when he surrendered.

Police said no motive has been determined for Dabbs' allegedly firing shots outside into the air, apparently at nothing in particular. Dabbs was remanded to Berrien county jail, pending further investigation, police said.

Nixon Is The One

George Wallace puts in a few words what many people feel concerning this election, what several recent Letters To Ye Ed state, and what the political science textbooks and instructors have preached for several generations.

"There's not 10c worth of difference," says Wallace, between the Republicans and the Democrats."

This is a simplistic capsulizing of a subtle distinction.

Our country has three major problems on its doorstep.

Viet Nam is one.

Fiscal responsibility is another.

Law and order is the third.

Thursday night LBJ took to the TV studios to announce he was halting the bombardment of North Viet Nam.

This is the third bombing pause since he launched the Vietnamese venture at the recommendation of the former Defense Secretary McNamara that now was the time and place to stop Communist aggression and that the U.S. had the military muscle to do so quickly and effectively.

The record of what happened to that prediction needs no elaboration here, except to point out that Johnson on two previous occasions suspended the offensive against North Viet Nam in the hope of Hanoi coming to the peace table.

Thursday's order coming four days before a national election may be coincidental. It may be the prelude to some substantial development coming out of Paris.

In either case it is only another effort put forth on a short range problem.

The big question which Viet Nam represents is twofold: how to avoid similar pitfalls in the future; and how to prevent a test tube size error turning into a ton

Stratoforts Effective

To bomb or not to bomb, that is the question. It is a question which receives more consideration than it did a few years ago when sending B52 bombers over Vietnam was a relatively new approach. Then, many persons from the average foot soldier to not a few chiefs in the Pentagon thought it was foolish to try to fight elusive guerillas in a jungle with giant bombers.

They don't think it's foolish now. The stratoforts, each carrying a 60,000-pond bomb load, have turned out to be one of the most effective weapons on the American side. Some commanders on the scene have credited the bombers with preventing the communists from overrunning much of the countryside.

Perhaps more important than the devastation the bombers are able to inflict on North Vietnamese positions is the psychological effect they have. No one who hasn't seen it can appreciate the awesome spectacle of an entire side of a mountain suddenly erupting in fire and smoke in an attack from bombers which cannot be seen (they drop their payloads six miles up).

For more than a year, captured enemy soldiers have shown total fear toward the bombers they never saw. The North Vietnamese have tried numerous times to erect Sam missiles to down the eight-engine craft, but without success. None of the five bombers of this type which crashed were shot down.

In the three years since the bombers were first sent over North Vietnam, they have dropped 775,000 tons of bombs on enemy positions, at a cost of \$3 million a day. The disruption they have caused in the enemy's defenses, strategic capabilities and morale have been worth every penny of it.

DRIVER IS KILLED, WIFE CRITICALLY INJURED

Fairplain Marine Is Decorated

Major Cited In Vietnam Air Attack

MAJOR MERRIHEW

Marine Major Ronald Merrihew, son of Mrs. Frank Merrihew, of 2187 Fairplain avenue, Fairplain, has received the Marine Distinguished Flying Cross for "heroism and extraordinary achievement in aerial flight" in Vietnam.

According to the citation from Gen. H. W. Buss, commander of Pacific Fleet Marine force, Merrihew was section leader of two A-4 Skyhawks giving ground support to an allied unit surrounded by North Vietnamese regulars earlier this year in the Ashau valley.

Low cloud cover kept Merrihew's approaches close to the intense enemy automatic weapons fire which had earlier downed eight helicopters. He delivered his bomb load with pinpoint accuracy to within 60 yards of the allied position.

Through Merrihew's "heroic and bold initiative" the allied unit was able to move to a secure landing zone and was rescued.

"Major Merrihew's courage,

superior aeronautical ability and unwavering devotion to duty in the face of great personal danger inspired all who observed him and were in keeping with the highest traditions of the Marine Corps and of the United States Naval Service," the citation read.

Merrihew is a 1954 graduate of Benton Harbor high school and attended Western Michigan university until enlisting in the Marines in 1957.

Merrihew, 31, was sent to Vietnam in Nov. of 1967 and is stationed at the air base at Chu Lai. He is married to the former Nancy Creed of Benton Harbor and has two daughters.

Two Cars Crash Near Sawyer

Illinois Victim Hikes 1968 County Traffic Toll To 47

SAWYER — An elderly Illinois man was killed yesterday afternoon and his wife was injured critically in a two-car broadside crash at Warren Woods and Flynn roads, about three miles south of Sawyer in Chikaming township of Berrien county.

The impact of the crash hurled a spare tire from the trunk of one of the autos through a window of a home several yards away.

Killed was Jacob Novacich, 74, of Worth, Ill., the driver of one of the autos. Novacich was pronounced dead at the accident site by Dr. John A. Valantius of Three Oaks, a Berrien county medical examiner.

Novacich was the 47th person to die so far this year on Berrien county roads.

Reported in extremely critical condition this morning at Mercy hospital, Benton Harbor, was Novacich's wife and passenger, Mrs. Manda Novacich, 70, also of Worth, Ill. Hospital spokesmen said Mrs. Novacich sustained multiple injuries.

Police said the driver of the other auto, Dennis Streffling, 18, Three Oaks, received apparently minor injuries, but was not hospitalized at the time.

Called to the accident scene at 3:55 p.m., police said the Novacich auto had been struck broadside on the passenger side.

The police report stated that Novacich was traveling south on Flynn road, stopped at a stop sign, and then drove on to Warren Woods road into the path of the Streffling auto. Police said the accident remains under investigation and no summons has been issued.

Police said the spare tire in the trunk of the Novacich auto flew at least 55 feet through a window of a home, owned by Wesley Zeiger of Warren Woods road. No one was injured, said police.

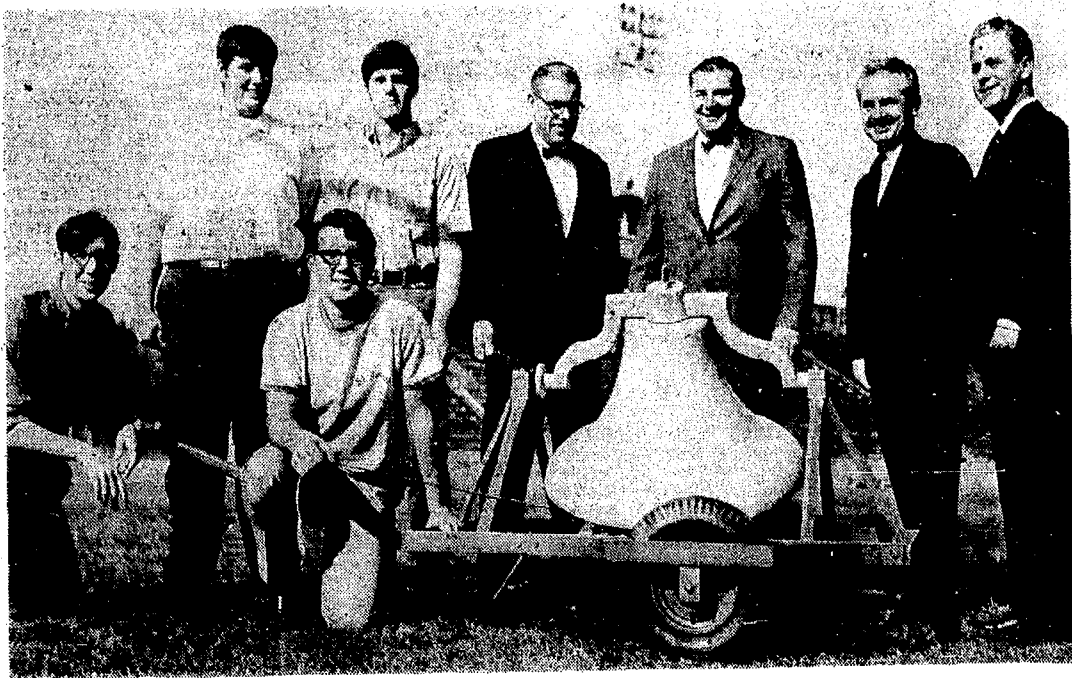

Mr. Novacich, a retired farmer, was born in Austria, April 17, 1894, the son of George and Eleanor Arukavina Novacich. He had resided in Three Oaks for 20 years before moving to Worth, Ill., two weeks ago.

He was a member of St. Mary's Catholic church, Three Oaks. Survivors include his widow, the former Manda Bukovac, whom he married in 1915 in Chicago; two daughters, Mrs. Mary Kaiser of Three Oaks and Mrs. Katherine Oakley of Chicago; a son, Jacob of Chicago; eight grandchildren; three great grandchildren; a sister, Mrs. Katherine Pavlich; and a brother, Nicholas, both of Windsor, Ontario, Canada.

The body was taken today to the Tews funeral home, 2434 East 75th street, Chicago.

The Connelly-Noble funeral home, Three Oaks, was in charge of local arrangements.

BEAR BELL: St. Joseph Boosters club and St. Joseph high school machine shop class teamed up to obtain this 350-pound bell from an abandoned school in northern Michigan and mount it on rubber-tired cart. From left, kneeling are Tom Rohwer and Tom Schramm; standing from left are Vince Oles, Ed Miller, Webster Durfee, instructor; John Wisniewski and Bob Biasi of the booster club and Principal James Heathcote. Durfee said many boys had a

hand in building the cart, mounting the bell and painting it. Boys participating in addition to those shown above included Larry Rosenthal, William Bush, Wayne Knuth, John Barnhart, Steve Hadley and Dan Reschke. Bell is used to toll off points after Bear touchdowns and to ring up cheers. The school trophy case has another bell, presented last summer by Dr. Harold Fowler before his death in September. Restaurant Held Up By Masked Bandits

Two masked bandits robbed a restaurant last night, and a soft drink delivery driver lost \$160 to a thief who snatched his wallet in daylight, Benton township police reported. Both incidents occurred on Fair avenue.

Loot was estimated at \$100 to \$200 in the robbery of Roxy's Roast Beef, 507 South Fair near Britain. Restaurant employees, Margaret Green and Jackie Cobb, told police both bandits wore stockings over their faces. One carried a sawed off shotgun, the other a pistol. Three customers were in the restaurant at the time.

Both gunmen were described as Negroes. Donald Peterson a driver for Royal Crown Cola told police his trucker's wallet was snatched loose from a chain by a Negro about 20 years old outside the Recreation club, 153 North Fair. Peterson said he chased the fleeing youth around a house and down an alley then lost him.

The wallet was taken as Peterson was handling a load of empty bottles.

NEW SHOP, NEW FASHIONS: A Benton Harbor shop will parade its newest fashions Sunday in a style show. Charles and Beverly Moore, owners of the New Pride Shop, 423 Territorial road, will stage a style show at 10:30 p.m. at East End bar, 995 East Main street. The shop specializes in Afro-American clothes like the zebra aashiki modeled by Cheryl Moore and the leopard dashiki worn by Ronald Burnett.

Fourteen Are Arrested In BH Gambling Raid

Benton Harbor police arrested 14 men in a gambling raid Friday night at 548 Territorial road. Police obtained a search warrant after receiving evidence that a dice game was in progress.

Among materials confiscated were four sets of dice, two of them retrieved from a bathroom commode, and a bag of petting slips.

Dets. Neil Teske and Sam Watson reported that after a knock on the door, lights went off immediately in the house and there were sounds like several persons were attempting to leave by other exits.

Booked as keeper of a disorderly (gambling) house was Lee Ray Roy, 45, named as an occupant at 548 Territorial.

Charges of inmate of a disorderly house were filed against Maynard W. Merritt, 36, of 518 Whitcomb court; Andrew Jackson Long, 31, of 962 Highland avenue; L. C. Williams, 50, of 518 Whitcomb; John H. Hodge, 41, of 1245 Columbus avenue; Roosevelt Williams, 51, of 353 North Winans street; Willie C. Edison, 39, of 724 Buss avenue; Daniel Lee, 30, of 1280

Columbus; Barry Chaney, 33, of 140 North Oden street; James J. Fletcher, 35, of 548 Territorial, all of Benton Harbor; Otis Young, 49, of 133 Plum court; Kenneth Sonny Flowers, 29, of 1173 Plympton avenue; Nathaniel Lee, 23, of 559 Campbell avenue, Benton township; and Clarence Lee, 24, Los Angeles, Calif.

All of the charges are misdemeanors. The defendants each posted \$100 bonds and were released pending court appearances Monday.

Eight police officers participated in the raid.

Veteran Returns To BH Court

They may not be singing "Hello Dolly" up in Benton Harbor municipal court, but the refrain certainly applies to a familiar face that has returned: "It's so nice to have you back where you belong."

Mrs. Joseph (Joantha) Sieber, after 15 years of raising a family, has returned to her job as court clerk. She quit soon after she married a man who became Benton township's first patrolman and present police chief.

In the intervening period, she has reared three children, Linda, who was born in 1955, Ronnie, who was born in 1956, and Laura, who was born in 1959. All three now attend school.

Mrs. Sieber, who worked as court clerk for five and one-half years before her first "retirement," said things hadn't

changed much, but just enough for her to have to learn the procedure all over. She has to learn all the new court costs, which have risen, she said. Mrs. Sieber is assisted by two deputy clerks, Mrs. Alice M. Wagner and Mrs. Mary Liggett.

AROUND OUR TOWNS BH Boy Doing Fine After Heart Surgery

A 13-month-old Benton Harbor lad is now home and doing just fine after open heart surgery at the University hospital in Ann Arbor, his parents report.

Allen Charles Ray, son of Mr. and Mrs. Richard Ray, 400 Emory avenue, was operated on Oct. 11, to close a valve in his heart which was supposed to close automatically at birth but did not.

According to his mother, Allen was originally scheduled to enter the hospital Sept. 23, but the operation had to be postponed due to a cold he had developed.

Allen was discharged from the hospital on Oct. 22. Surgeons called the operation a complete success, according to his mother. The Ray's have one other son, Richard, who is seven-years-old.

Paula Seroke, daughter of Mr. and Mrs. Robert Seroke, Woodley drive, Benton Harbor, was recently initiated into Alpha Delta Phi, national social sorority at Michigan State University. Paula is a senior majoring in retailing. She is a 1965 graduate of Benton Harbor high school and she received an associate in arts degree from Lake Michigan College in 1967.

St. Joseph S&L Branch Approved

To Be Located In Southtown Section Of City

The St. Joseph Savings and Loan association received notification Friday of official approval to establish a branch office in the Southtown section of St. Joseph, according to President Herbert C. Kerlikowske.

He said the association hopes to open its first branch office early next spring on South State street at Gard avenue near the Colonial Heights commercial development.

Approval was granted by the financial institutions bureau of the Michigan Department of Commerce in Lansing.

According to Kerlikowske, approval was based on the association's need for additional modern quarters to serve its growing clientele. Its present office in downtown St. Joseph has been operating at peak capacity for some time, he said, and no customer parking and drive-up facilities are available there.

Assets of the saving and loan organization have grown rapidly in recent years. The president cited a gain from \$11 million as recently as 1961 to over \$25 million at present. He said anticipated future growth is expected to be absorbed largely at the new branch.

The branch office is to be located on a corner lot that fronts 143 feet on South State and is 134 deep facing Gard avenue.

The office will be of colonial design in keeping with other recently built commercial structures in the Southtown district. Paved parking areas, drive-in and walk-up teller windows, private counseling rooms and a community meeting room are contemplated in the structure.

The St. Joseph association, which has been operating as a state-chartered savings and home-financing institution for 52 years, has been the pre-dominant lender for single-family home construction in St. Joseph and the growing suburban zone to the south. Some 2,000 homes are currently financed through the association.

Wrong Name

In the Benton Harbor city commission story last Tuesday the name of the owner of a house to be razed at 349 Miller street was incorrectly given as Eddie Smith.

According to the city assessor's office the owner is Mike Volpe, Box 328, route 1, Benton Harbor.

WATERVLIET — The second performance of the Watervliet high school Variety show will be held tonight beginning at 8:15 p.m.

The first annual show is under the direction of Paula Edwards and Lawrence Zy-chowicz. Bruce Hiler is master of ceremonies and 50 students make up the cast.

Electrical Cooperative On Ballot

Seek Franchise Renewal In 50 Townships

Voters in four townships of Berrien county, along with electors in 46 other townships in other southwest Michigan counties will ballot Tuesday on a 30-year renewal of the electrical service franchise for Fruit Belt Electric Cooperative.

Clarence Haslanger, manager of the cooperative, said its original 30-year franchise approved in 1938 expired last April.

Since then, the township boards of the 50 townships in which Fruit Belt provides electrical service has approved renewal of the franchise for another 30 years, according to Haslanger, and approval now is needed from the voters of the individual townships.

Haslanger explained the renewed franchise would not cover any new territory or involve any changes from the original one.

The four townships in Berrien county that will vote on renewal are Watervliet, Coloma, Bainbridge and Pipestone. Fruit Belt serves about 150 customers in Watervliet township, 50 in Coloma township and about 50 in Pipestone and Bainbridge together.

The cooperative serves all of Cass county, and parts of Van Buren, St. Joseph and Kalamazoo counties. Its headquarters are at Cassopolis.

Two Night Trains Will Stop Runs

The Interstate Commerce Commission Friday approved the withdrawal from service of two of the Chesapeake & Ohio Railroad's night passenger trains between Grand Rapids and Chicago.

The company, which cited revenue losses of up to \$154,000 a year on the four-hour runs, may withdraw the train on Dec. 2, the commission said.

The trains arrive in Benton Harbor during early morning hours, one at 1:05 a.m. from Chicago and the other at 2:15 a.m. from Grand Rapids. Both trains stop five minutes earlier or later in St. Joseph.

Service during the day in the Twin Cities, departing from Benton Harbor at 9:17 a.m. for Chicago, and another arriving at 5:15 p.m. from Chicago will be continued.

Eau Claire Barn Leveled By Blaze

EAU CLAIRE — Fire of undetermined origin Friday morning destroyed a large two-story century old frame peg barn on the Miles Thomas farm, three miles north of Eau Claire on Old Pipestone road.

The blaze was discovered by the Thomas' five-year-old daughter, Terri, who told her mother the barn was on fire. Mrs. Thomas called the Eau Claire fire department.

Firemen said burning embers from the barn were carried away from other farm buildings due to the direction of the wind. Firemen said the barn was located 60 feet from the home.

Also destroyed were the contents of the barn which included a quantity of baled straw and several household furnishings being temporarily stored in the barn.

Thomas, who was not at home at the time of the blaze, estimated the loss to be \$5,000 and said he was partially insured.

Faces Surgery

Merle McCarrall, former Benton Harbor police chief, will enter University of Chicago hospital tomorrow for surgery Tuesday to remove a tumor in the area of the inner ear. McCarrall had an operation in 1965 to arrest the tumor. He retired last January as police chief, ending a 23-year career in law enforcement.

Friends Seeking Help For Con Game Victim

Friends and neighbors are attempting to replenish the savings account of an elderly Benton township woman who lost \$400 as the victim of a confidence in September.

Mrs. Betty Sanders, of 230 South Crystal avenue, lost her entire savings account when she

mistakenly put her trust in the wrong person. Mrs. Coleman Weatherly, of 1721 Eastland avenue, said she and her husband helped launch the campaign with a donation to Mrs. Sanders. Also assisting in the drive is Mrs. James Mobley.

Mrs. Weatherly said contributions can be sent to Mrs. Sanders. Her only income is a small Social Security payment resulting from the death of a son, plus some money for light housework. Mrs. Weatherly said.

TIGERS CAN'T EVEN GAIN SILLY MILLIMETER

By JIM DeLAND
Sports Editor

TRAVERSE CITY — Benton Harbor's football team came a long way to go nowhere here Friday night.

Coach Les Butgereit's Tigers covered more than 450 miles of highway in a scenic round trip to this resort city but were unable to gain an inch on the gridiron in a humiliating 44-0 loss to Traverse City before a standing room crowd at Thirby Field.

The victory assured coach Jim Ooley's Trojans of a second straight Lake Michigan Conference championship with a 3-0-1 league record while dooming Benton Harbor to sole posses-

sion of the cellar with an 0-4 slate.

Only a brilliant halftime performance by Bernie Kusche's Tiger marching band salvaged respect for Benton Harbor, and the musical interlude was far too brief in an evening that was otherwise a total loss.

Outmanned and overwhelmed, the injury-ridden Tigers were behind 14-0 before they successfully ran a play from scrimmage and were trailing 31-0 after 27 minutes of action.

Ooley removed his entire first string from the game at this point, but the Trojan substitutes added insult to injury by ramming across two more touchdowns in the remainder of the game.

Only a penalty prevented the Trojans from hitting 50 points. They successfully pulled off a tackle-eligible pass on the final play of the game, with 230-pound Vic Cole lumbering 33

yards and bulling his way past two defenders into the end zone, but the touchdown was nullified because the Trojans had only six men on the line of scrimmage.

The Tigers failed to gain a silly millimeter rushing, failed to complete a forward pass and further contributed to their own demise by losing three fumbles and having one pass intercepted.

Not once during the game did they cross midfield on offense, and their lone first down came on a 15-yard penalty against Traverse City.

The Tigers' only effective weapon was the punting of Kurt Kretschman, who shanked one out of bounds for only nine yards but still averaged 35 yards for the night with kicks of 48, 44 and 49 yards.

This was hardly enough to contain the Trojans, who got plenty of kicks themselves from

140-pound John Wuerfel. The tiny soccer-style specialist kicked five extra points and a 24-yard field goal before finally missing on his last conversion attempt, doubtless due to overwork. He also gave the Trojans one first down by a roughing-the-kicker penalty and passing for another first down on a fake punt.

Traverse City took the opening kickoff in to score on a six-yard pass from Walt Babcock to Gary Klinglesmith, got the ball back immediately when Benton Harbor's fourth-string quarterback Myron Schaffer fumbled the snap from center on his first varsity play, and zipped 30 yards for a second touchdown

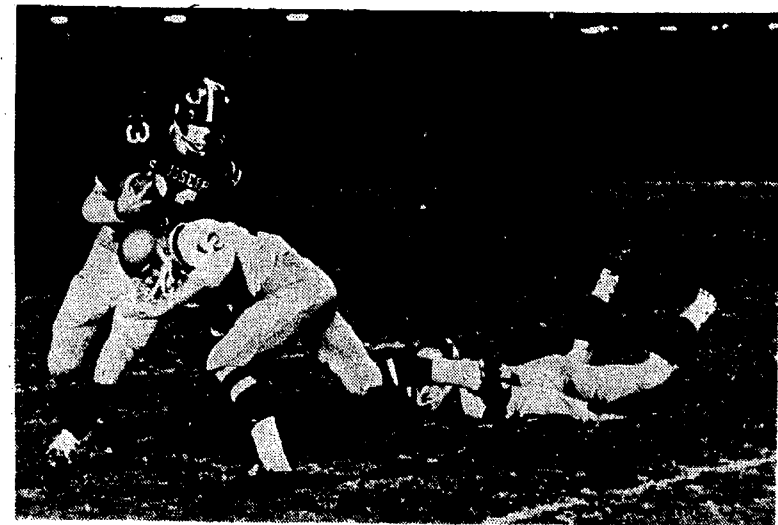

on an eight-yard run by Gary Riggs.

Wuerfel ran the score to 17-0 with his field goal in the second quarter and a fullback Steve Wuerfel made it 24-0 at halftime with a 10-yard blast up the middle.

Explodes For Three Fourth-Period TDs Christi Blanks Bears, 21-0

Jackson Lumen Christi, the fourth best Class B football team in the state, exploded for three fourth quarter touchdowns and a 21-0 victory over the St. Joseph Bears Friday night in the season finale at Dickinson Stadium.

Not only did the Bears lose a ball game, they also lost an outstanding defensive end for next Friday's Big Six championship game at Portage Northern.

With four minutes left in the half, Bob Holmes was the victim of the most dangerous block in football... the clip, where a blocker hits his man from behind.

That type of block carries a 15-yard penalty and the danger of broken bones to the player against whom it is applied.

Holmes has two broken bones in his left leg below the knee as a result of the clip thrown by Steve Racibowski.

Defense kept the Bears in the game until midway of the third quarter when the Titans took over on their own 18 and drove 82 yards for the only score they really needed.

Two third down and a fourth down play were the keys to the drive. Early in the drive, David Sayers, the Titan quarterback, was caught behind the line on a third and four play but got away for a nine yard gain to his own 42.

Lumen Christi was able to gain just two yards in the next two running plays, then a third down pass from Sayers to end Tom Devine was good for 10 yards and a first down at the Bears' 46.

On the second play of the fourth quarter, the Titans needed one yard for a first down. They got seven as Sayers again hit Devine for a first down at the 20.

Four plays later, fullback Richard Krist went over from the one and kicked the first of his three extra points.

"Until they started this drive," said St. Joseph coach Ike Muehlenkamp, "our defense had been doing a great job... but with the pounding they took early in the game, they didn't have much left by this time."

"But I'm proud of every one of the boys... they did a tremendous job."

The softening up of the St. Joseph defense was in no small part the work of David Southwell, a 205-pound guard turned halfback, Southwell was placed in the backfield as a result of injuries in recent games to three of the Titans' backs.

Southwell, who ran with the strength of a pile-driver through St. Joseph's line and with the speed of a gazelle around the ends, carried the ball 23 times and gained 73 yards. On defense, he intercepted a pass that led the Jackson's last touchdown.

Jackson's dominance of the second half was so complete that the Bears were able to run only 15 offensive plays. Seven of these were run off in a row after Larry Brokan came up with the fourth St. Joseph pass interception early in the third quarter.

The Bears moved from their own 35 to midfield and recorded their only first down of the half before being forced to punt, after which the Titans drove to

their first touchdown.

Of St. Joseph's eight fourth quarter offensive plays, four resulted in pass interceptions. The first was by Tim Matteson and, despite 20 yards in penalties, the Titans scored five plays later with Southwell going over from the one.

An interception by Tom McQuillan set the stage for the Titans' third touchdown as the visitors drove 36 yards in seven plays when Phil Piotrowski, on the only play he ran all night, went in from the five. Piotrowski is one of Christi's injured

halfbacks that saw no other action.

Two of St. Joseph's pass interceptions were the handiwork of Chad Biasi. The second came with 16 seconds in the half and the next two plays left St. Joseph fans gasping for breath at halftime.

The Bears, working from a shot gun offense for the first time this season, moved from their own 38 to the Titans' in two plays with the help of two fantastic catches by end Greg Ruppel.

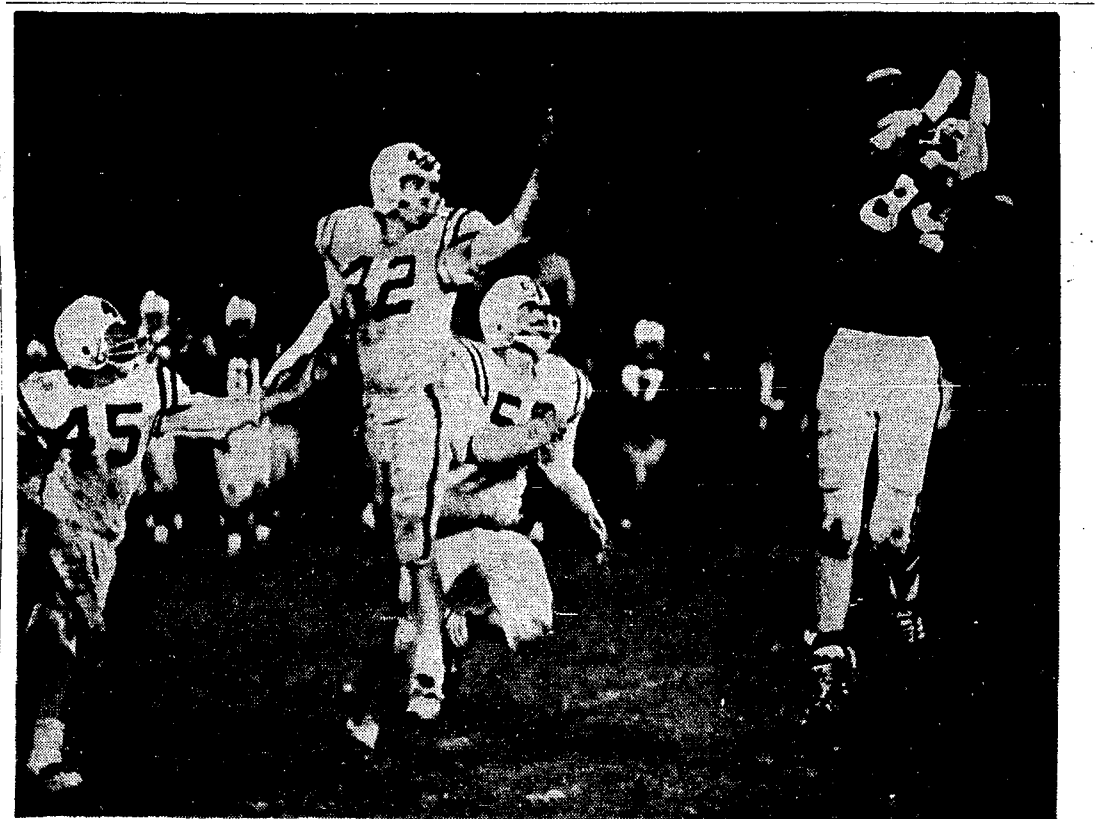

Both passes thrown by John Salvatore were right on the mark but both were almost intercepted. The first toss Ruppel grabbed by coming back between to defenders at the Titans' 23.

With four seconds left, Salvatore again threw to Ruppel at the two yard line and the St. Joseph end leaped high between three defenders to catch the ball as time ran out ending St. Joseph's only threat of the night.

The Bears were held to 32 yards rushing in the first half and netted three in the second half. Bill Hamilton carried on 15 of St. Joseph's 22 running plays and gained 35 yards.

St. Joseph takes a 4-3-1 record into next Friday's game at Portage Northern. Jackson is now 7-1 on the season.

wardsburg cavorted off with the championship.

The Shamrocks had seen the Matt Caid led River Valley Mustangs crush their title hopes by a 20-6 count, while the Eddies were clinching the crown at Niles Brandywine with a 16-13 victory on a crucial 22-yard field goal by Robin Ward with just 48 seconds left to play.

It all left the Shamrocks with a 4-3 mark and a share of second place with River Valley,

also 4-3. Edwardsburg took conference honors at 5-1-1.

Caid cracked an otherwise strong Berrien defense with strong running runs of 80 and 38 yards. And Jim Turley came off the bench and connected with Dave Hanover on a 40-yard touchdown pass play on a fourth and 26 situation.

The rest of the night the Mustang runners netted just 39 yards in 37 attempts.

River Valley's defense was even more impressive in limiting Berrien ace tailback Denny Fox, southwestern Michigan's total offense leader, to 66 yards in 18 carries.

The Shamrocks never got inside the Valley 50 in the first half. And the only time they penetrated inside the 20 throughout the game was on the fourth period touchdown pass of 24 yards from quarterback Mark Boehm to fullback Tom Lunneen.

Valley, while finishing as the Blossomland's top defensive team for a second straight year, used a 5-2 defense in the first half with Turley the monster man on Fox.

And when the desperate Shamrocks went to a passing attack in the second half, the Mustangs converted to an intense Oklahoma defense of 5-2-4. Berrien threw a whopping 33 times and connected on just six for 90 yards and the touchdown.

"We had them in the open," said Berrien coach Jim Bowser of his receivers, "but when we did hit them, they couldn't hang on to the ball."

River Valley got all the points it needed the first time it got the ball, after a Berrien punt.

On the very first play, quarterback John Rudolph faked to fullback Ron Clemens and handed off to Caid on a trap through the left side. Guard Robin Wooley threw the key block, and Caid went 80 yards untouched through a gaping hole for the touchdown. And Turley threw to Hanover for the extra point for a 7-0 edge with 10:12 still left in the opening quarter.

In the second period, Turley intercepted a Boehm pass to start what looked like another touchdown march. Rudolph and Caid teamed up on a 51-yard

pass play to the Berrien five, but Mustang center Wayne Geik was injured in the play.

And with an inexperienced center in the game, the exchange was fumbled on the next two plays, with the Shamrocks' Pepper Colvin recovering the second at the seven to end the threat.

Berrien couldn't move, and Fox quick-kicked to his own 24 on third down. An offside penalty moved the Mustangs back five yards and three running plays lost another 11 to the 40. It was at this point that Turley came from the bench and threw 40 yards to Hanover for the six-pointer with just 35 seconds remaining in the half. The kick for the extra point failed.

River Valley then went without a first down for the first 18 minutes of the second half, as

Dowagiac Shut Out, Knocked From Race

DOWAGIAC — Dowagiac's hopes of a share of the Big Six football championship were dashed here Friday night at the Niles Vikings scored a 12-0 triumph.

The defeat was the second in five league starts for the Chiefs who now have a 2-2-1 record. Niles is also 2-2-1 in the conference.

Portage Northern wrapped up at least a tie for the title by pounding Loy Norris, 38-12. St. Joseph can tie the Huskies if they win at Portage next Friday night.

The shutout was the first suffered by Dowagiac in 37 games, the last blanking coming at the hands of Loy Norris, 12-0, in 1964.

A Niles victory over the Chiefs, however, is not unusual as the Vikings haven't lost to Dowagiac in five previous games, including a 7-7 tie in

The Niles' defense, at least on the ground, was stingy holding Dowagiac runners to 64 yards. Dowagiac's aerial game, however, clicked with some precision.

Niles scored in the second and fourth quarters and had one score called back in the third period that robbed John Jones of his second six-pointer.

Jones has put the Vikings on the scoreboard early in the second stanza with a 37-yard run through the right side of the line after a short punt had given the Vikings the ball at the 38.

With four minutes left in the period, Jones went 35 yards for six points that didn't count as someone in the Niles' backfield moved forward a count too soon.

Quarterback Bill Haslett went up the middle for 16 yards and a touchdown in the final period. The drive, all on the ground, covered 56 yards.

Niles-Haslett 16 run (kick failed)

'Sleeper Play' Brings Victory

DEWITT (AP) — DeWitt defeated Pottersville 31-26 Friday night in the last minute of play thanks to what has been called "the old sleeper play." Pottersville grabbed a 26-25 lead with 48 seconds left and seemed the sure winner.

DeWitt lined up after the kickoff without a huddle and quarterback Rick Cole threw quickly to Steve Tows unnoticed at the sideline and he ran untouched for the 53-yard score. Mike Botke, a junior quarterback, scored a touchdown on a 14-yard run and passed for two others in beating Pottersville, rated fifth in the Associated Press poll of Class D schools.

Totals 174 Points

ST. IGNACE (AP) — Halfback John Brown collected 137 yards rushing in just 12 carries and scored three touchdowns to lead a sixth ranked St. Ignace squad to a 33-0 romp over Rogers City Friday night. The victory gave St. Ignace its third straight 8-1 season and the three touchdowns for Brown gave him 23 for the year to go with 22 extra points and an almost unbelievable 174 total. St. Ignace held Rogers City to six yards rushing and 37 passing.

Decatur Posts First Shutout In 6 Years

BRIDGMAN —It's been a long time between shutouts for the Decatur Raiders.

Six years and 53 games ago, the Raiders blanked Hartford 12-0. In 17 of the Raiders' last 25 games, the defense has held opponents to one touchdown, but not until Friday night did

Decatur escape with its goal line uncrossed.

The victim was the Bridgman Bees, 48-0. The Bees have now lost 15 in a row.

Decatur's ground attack rolled for 405 yards while the Bees were able to gain on 23 yards rushing. Four of 14 passes were completed by the Bees for 42 yards.

The Raiders scored in every quarter, including three times in the opening period. Quarterback Mark High started the TD parade with a 13-yard run after which Rick Overly recorded the

opening of the cellar with an 0-4 slate.

Only a brilliant halftime performance by Bernie Kusche's Tiger marching band salvaged respect for Benton Harbor, and the musical interlude was far too brief in an evening that was otherwise a total loss.

Outmanned and overwhelmed, the injury-ridden Tigers were behind 14-0 before they successfully ran a play from scrimmage and were trailing 31-0 after 27 minutes of action.

Ooley removed his entire first string from the game at this point, but the Trojan substitutes added insult to injury by ramming across two more touchdowns in the remainder of the game.

Only a penalty prevented the Trojans from hitting 50 points. They successfully pulled off a tackle-eligible pass on the final play of the game, with 230-pound Vic Cole lumbering 33

the City Commission may charge the same or such part thereof as it shall deem proper upon the lot on premises upon or account of which such expense was incurred, and cause the same to be assessed upon such lot or premises and collected as a special assessment.

RESOLVED FURTHER that said property is more particularly described as:

The Northeastly 33 feet of Lot 388, Original Plat of the City of St. Joseph, also the Southwestly 6 feet of Lot 387 of said Plat, City of St. Joseph, Berrien County, Michigan.

RESOLVED FURTHER that the City Clerk shall forthwith cause a copy of this resolution and order to be served upon each of the owners of said property located at 505 Church Street by certified mail with return receipt requested.

RESOLVED FURTHER that in the event said building is removed by the City of St. Joseph a copy of this resolution shall be recorded in the office of the Register of Deeds for Berrien County, Michigan.

Mr. Tobias, seconded by Mr. Smith, moved approval of the foregoing resolution. Roll call resulted as follows: Yeas: Commissioners Ehrenberg, Rill, Smith and Tobias. Nays: None.

ABSENT: Commissioner Plasmann. Motion declared carried and resolution adopted.

RESOLUTION AUTHORIZING EXECUTION OF CONTRACT FOR DISPOSITION OF URBAN RENEWAL PARCELS 1/1 and 2/1.

WHEREAS, on December 17, 1962, the City of St. Joseph, Michigan and the Berrien County Building Authority, Inc., entered into a Cooperation Agreement wherein the City of St. Joseph granted an option to the Building Authority to purchase areas "B1" and "B2" of the City of St. Joseph Urban Renewal Program, more particularly described as Lot 1, Block 1, and Lot 1, Block 2, as designated on the Urban Renewal Disposition Map, dated August 14, 1963, being the area in the City of St. Joseph, Michigan, bounded on the North by the St. Joseph River and on the East by the Wayne Street and on the West by Main Street, and on the South by Port Street; and

WHEREAS, the Authority has elected to exercise its option to purchase areas "B1" and "B2" and has agreed to erect a parking lot on Lot 1, Block 1 and to landscape Lot 1, Block 2, in accordance with the Urban Renewal Plan, which improvements will complement the new Court House Building located on Lot 2, Block 1; and

WHEREAS, the Urban Renewal Department of the City of St. Joseph has prepared a Contract for Disposition of Land copy of said Agreement being on file with the Department of Urban Renewal; and

WHEREAS, said Contract has been approved by the Department of Housing and Urban Development and has been executed by Berrien County Building Authority, Inc.,

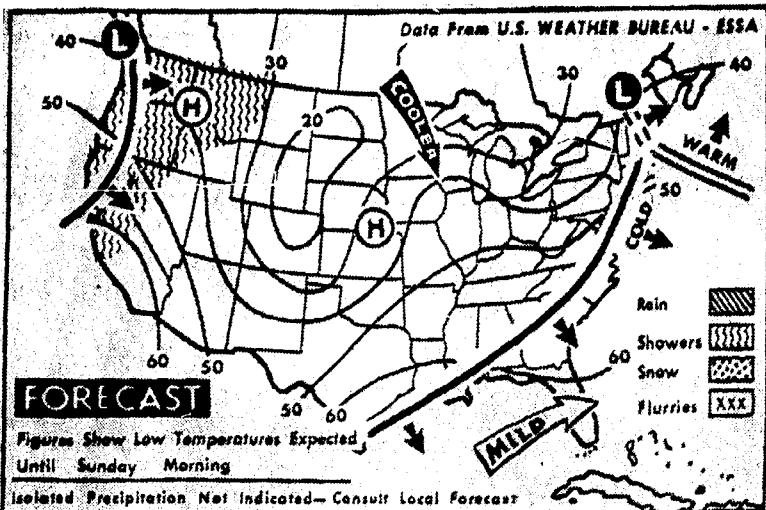

HEREFORE RESOLVED, that the City Commission of the City of St. Joseph hereby consents to the sale of said property to Berrien County Building Authority, Inc., for the sum of One Hundred Seventy-Five Thousand Three Hundred Seventy Dollars (\$175,370.00) and hereby determines that this price is not less than the fair value of the land for uses in accordance with the Urban Renewal Plan,

RESOLVED FURTHER, that said Contract for Disposition of Land is hereby approved,

RESOLVED FURTHER that the City Commission of the City of St. Joseph hereby authorizes and directs the Mayor and Clerk of the City of St. Joseph to execute said Contract for Disposition of Land on behalf of the City of St. Joseph.

Mr. Smith, seconded by Mr. Tobias, moved approval of the foregoing resolution.

Reader Wants To 'Dabble' And End Up With Fortune

Q — I have just begun to dabble in the stock market. I recently bought five shares of one company and 20 shares of another I am 45 and would like something that would give me income when I am 60.

A — When you say you would like something that would provide income when you are 60, I assume you mean that by dabbling you hope to build capital which can be reinvested to provide income when you are 60.

Just how you hope to make your fortune by dabbling in 5- and 20-share blocks of stock escapes me. The stock market hasn't moved more than a few points either way in recent years. To buy and sell a 20-share block would cost you more than you would gain from a 2-point rise. I don't think you're in any great danger, but I wouldn't go ordering any yachts, either.

The larceny warrant alleges the theft of goods from the House-keeping Mart, 184 Territorial road. The embezzlement count is in connection with a TV-record player set while Vaillancourt was employed at Keeter's Korner, Colfax avenue and Wall street.

Benton Man Is Arrested

Missionaries Commissioned In Decatur

DECATUR — A commission service was held last night for Mr. and Mrs. Louis Haveman in the Christian Reformed church. The Havemans have accepted a mission assignment from the Christian Reformed World Relief Committee and the Board of Foreign Mission Field.

Haveman will serve as an agriculturist and Mrs. Haveman will work as a registered nurse.

Two Valuable Dogs Are Stolen

Two valuable German short-haired dogs were stolen last night from the Gordon Brown residence, route 2, Box 325, Britain avenue, Benton Harbor.

Mrs. Brown told police the dogs were in a pen before they disappeared. Both have collars with owner's name and address.

One is 12 years old, the other 2 1/2. Both are males.

Study Ritual In Buchanan

BUCHANAN — The spiritual development commission of St. Anthony's Roman Catholic church is sponsoring a program under the direction of James Topash, chairman of the commission, to be held at the church Wednesday, Nov. 6 at 7:30 p.m.

The program will open with a Mass, sung by the pastor, Rev. Leon H. Pohl, in Latin. Following the mass, a film on the changes in the ritual of the Mass will be shown.

Arraigned In Assault

James W. Griffin, 23, of 857 Thresher avenue, demanded examination on a charge of felonious assault when arraigned Friday in Benton Harbor Municipal court.

He was arrested by Benton township Patrolman Charles Baker who was responding to the screams of a young woman. She and a companion said a man jumped into their car and forced them at knifepoint to drive. No one was injured.

Associate Judge Harry Laity set bond for Griffin at \$1,000.

Merger Group Plans Meeting In Van Buren

HARTFORD — A meeting of the entire Hartford-Lawrence school merger study committee will be held Monday at 7:30 p.m. at Galati's restaurant on Red Arrow Highway.

Schuyler Kellogg, chairman of the Hartford group of the committee, urged all members to be present when he called for the meeting.

'WON'T REGISTER': Mrs. Evelyn Whitehorn tells the Selective Service registrar in San Jose, Calif., that her 18-year-old son Erik (rear) will not register for the draft. She says he is a minor, cannot marry or sign contracts without her permission, and she won't give him permission to register.

ARM 'REPLACED': Charles Brian King, 11, holds a Kansas City Chiefs football with his good arm four days after his severed arm was sewn back on in Kansas City, Mo. He fell between tractor and rotary mower on uncle's farm near Paola and was rushed to the University of Kansas Medical center.

NEW CASKET: Michael A. Roby, a fifth year student at Cleveland Institute of Art, poses with his new concept in casket construction which won the 1968 Aleca Student Design merit award in Pittsburgh. The aluminum casket could be stacked six-high above ground.

Vocational Education Funds OK'd

LANSING (AP) — The State Board of Education has approved allocation of more than \$3 million in federal funds for vocational education construction programs in the state.

It also approved an operating budget request of \$34.7 million to be relayed to the state Legislature. The request for general fund monies is nearly \$9 million more than the current budget.

The total budget for the next fiscal year would be about \$104.6 million with \$89.5 million coming from federal funds and \$252,000 from restricted state funds.

The board further urged Wayne County voters to approve financing of a community college in the county.

Largest vocational education building sums approved were \$1 million for an area vocational center in Calhoun County and \$1.01 million for a Kent County vocational-technical center.

Other federal grants approved included \$530,874 to Sault Ste. Marie Public Schools, \$466,130 to the Oakland intermediate school district and \$150,706 to Bay de Noc Community College in Escanaba.

Apollo 7 Astronauts Are Honored

JOHNSON CITY, Tex. (AP) — President Johnson, home for a weekend that will extend to election day, supplied a forum today for the nation to honor the Apollo 7 spacemen.

The setting, where the three astronauts would hold their first post-flight news conference, was the combination airplane hangar and broadcasting studio on the LBJ ranch.

The President had some medals to award and remarks to make to the trio that put in 21 October days whirling 4.5 million miles through space on 163 orbits of the earth.

Navy Capt. Walter M. Schirra Jr., Lt. Col. Donn F. Eisele of the Air Force and civilian Walter Cunningham all were getting the Exceptional Service Medal of the National Aeronautics and Space Agency.

This is NASA's second highest award.

'Yes' Votes Are Urged By Romney

LANSING (AP) — Gov. George Romney Friday urged Michigan voters to go to the polls Nov. 5 and repeated his plea for approval of clean water and recreation bond issues totaling \$435 million.

Proposition No. 3 on the ballot calls for a \$335 million state bond issue to help local government finance what Romney termed "much-needed water pollution control steps."

Proposition No. 4 asks a \$100 million bond issue for state and local development of outdoor recreational facilities.

"Clean water and adequate recreation are goals without boundaries," Romney said. "I urge each voter of Michigan to vote 'yes' on propositions three and four."

Romney did not mention three other propositions on the ballot.

He did, however, urge voters to elect Republican candidates, from presidential nominee Richard Nixon through state and other national offices.

SPECIAL WEEKS SET

LANSING (AP) — Gov. George Romney has proclaimed Nov. 21 as Mayflower Compact Day in Michigan, in honor of the 348th anniversary of that document's signing by the pilgrims. Romney also designated Nov. 18-24 as Better Literature for Youth Week and Dec. 2-8 as Leader Dog Week in the state.

Salazar Crisis

LISBON (AP) — Former Premier Antonio de Oliveira Salazar was reported in another period of crisis Friday night after a sharp drop in his blood pressure.
